Supplement to the Statement of Vote**

EXPLANATORY NOTES

This Supplement to the Statement of Vote contains the official vote results for the February 5, 2008, Presidential Primary Election as provided to the Secretary of State's Office by California's 58 counties.

Marin

Marin County uses ballot types that crossed supervisorial district lines. These ballot types have been consolidated into a line item called "multiple districts."

San Luis Obispo

San Luis Obispo County uses ballot types that crossed supervisorial district lines. These ballot types have been consolidated into a line item called "multiple districts."

Stanislaus

Because no state Senate offices were on the ballot during the 2008 Presidential Primary Election, Stanislaus County combined Senate Districts 12 and 14 into a single data set in the voter registration system. As a result of this decision, it was not possible for Stanislaus County to report results from the 2008 Presidential Primary Election by Senate District.
